EXPERIENCE

BackMe, Inc.   Spring 2016 - Present
Co-Founder and COO
- One of two founders of a productivity-based mobile app company
- Spent over 250 hours designing the website (www.backme.com) and application using photoshop and XCode; currently programming the front-end design of version 1.0

North Shore Custom Living, Chicago, IL   Summer 2015, 2016
Demolition crew
- Worked 7a.m. – 3p.m. (Mon-Fri) under a construction manager to remove drywall, plumbing, etc. out of four different residential buildings in Chicago

Side Projects   Summer 2015, April 2017
Independent iOS Developer
- Designed, developed and released my own iOS app, The Next Level. A goofy riddle/puzzle game to gain experience with front-end development (Swift).

Independent Web Developer
- Created a simple website (danielchines.github.io) to showcase my resume and CS projects

Languages and Libraries:
- C++, C#, Java, Javascript, HTML, CSS, Node.js, React, MongoDB, Bootstrap, Swift, MATLAB

ACTIVITIES, LEADERSHIP & INTERESTS

The Wond'ry PostFlight Program   Spring 2017
Participant, Micro Grant Semi-Finalist
- 9 weekly 1 hr 15 minute sessions led by Wond'ry staff and local entrepreneurs

The Afterschool Program   Fall 2016 - Present
Mentor
- Mentor under-privileged Nashville youth (aged 7 to 14) in education, life-skills, and service

Sigma Alpha Epsilon Fraternity   Spring 2015 - Present
